

Roberta Balstad

Roberta Balstad is Senior Fellow, CIESIN, and Co-Director, Center for Research on Environmental Decisions, at Columbia University. She also serves as Editor-in-Chief of *Weather, Climate, and Society*, a journal of the American Meteorological Society. Dr. Balstad has lectured widely, both in the United States and abroad on understanding the human role in global environmental changes and on the role of science in public policy. She is the Vice-Chair of the Board on Research Data and Information of the National Research Council and Chair of the US National Committee on Scientific and Technical Data (CODATA). Dr. Balstad was previously the Director of the Division of Social and Economic Sciences at the National Science Foundation, the founder and first Executive Director of the Consortium of Social Science Associations (COSSA), and President/CEO of CIESIN prior to becoming director of the organization when it joined Columbia University. She was a senior fellow at Oxford University in 1991-1992 and Guest Scholar at the Woodrow Wilson International Center for Scholars in 1994.
