

**Ad Hoc Strategic Coordination Committee
on Information and data (SCCID)**
Committee Member, 2009–2012

Barbara Andrews

Barbara Andrews is Professor in the Department of Chemical Engineering and Biotechnology at the University of Chile in Santiago. She has a BSc in Biochemistry and a PhD (Biochemical Engineering) from the University of London. Before joining the Department in Santiago 14 years ago, Barbara worked at Columbia University in New York and the University of Reading in the UK. Her main research interests include metabolic engineering, protein separations and purification, cold-adapted enzymes.
